

## AN OVERALL VIEW OF A DAY IN THE KITCHEN

IF AT ALL POSSIBLE arrive at Camp early (4:00) to help with Supper preparations and get settled in your room.

During the week: Breakfast is at 7:00. Supper is at 5:30.

**Weekends:** Saturday Breakfast is 6-8. Sunday Breakfast is at 8. Sunday Lunch is about 20 Minutes after church. Supper on Friday, Saturday and Sunday are at 6:00.

**Breakfast** - Be in the kitchen between 5:30 and 6:00 each morning during the week. This is dependent on what is for breakfast and how many we are feeding.

**After Breakfast Clean up** at 8:00 or 8:30 we will make sandwiches for the next days lunch. On Sunday, this occurs after Lunch Clean up.

**After Sandwich Making** we stay in the kitchen to start Evening Supper Prep. (Get the Salad Bar ready, Make dessert, Lay out items for fixing supper later.) Wash everything we used so we can come back to a clean kitchen,.

**Free Time** is generally until 3:30 or 4:00. This is dependent again on what is for supper and how many we are feeding. At this time we will make final Supper preparations.

**Supper Prep** - Be in the kitchen 3:30 – 4:00 to finish getting Supper ready. We need to eat quickly so we are ready to put all food items away. It is our responsibility to put all the food items away before the kitchen clean up can begin. After that we stay in or near kitchen to be available to put away cooking utensils and pots and pans as they are dried.

At some time on Saturday Myra or Tara will assign job descriptions for each person. We have detailed instructions for each job. We all work together to help each other. **Do Not** hesitate to ask for help or to ask questions. We all stay in the kitchen together until everything is done. We are a team!

\*When you are not busy there is a clean up list we can work on. We love a clean kitchen!!!
